DWDPROJECTS

SCRUM developer certified (SDC®)

Scrum Developer Certified (SDC®) is an entry level certification for Scrum Team members and those who interact with any Scrum Team.

SCRUM developer certified (SDC®)

In a nutshell…

In this course, Scrum Developer Certified (SDC®) professionals will
- Gain enough knowledge to ensure that Scrum Team members know enough about Scrum to effectively contribute to a Scrum project
- Understand the basics of Scrum
- Enable Scrum Team members to effectively contribute to a Scrum project
- Enable Scrum Team members to apply Scrum effectively in Scrum/Agile projects
- Be exposed to high quality hands-on training using role-plays and case-studies

Can I attend?
This certification is appropriate for anyone who is part of a Scrum Team, interacts with Scrum Teams, or is interested in understanding the basics of Scrum an how the framework can be used effectively.
.

Are there prerequisites?
There is no formal prerequisite for this certification. However, it is preferable to complete the Scrum Fundamental Certified (SFC™) certification before applying for the Scrum Developer certification.
