

risk management professional online course (PMI-RMP®)

In a nutshell

Risk management is an important skill that can be applied to a wide variety of projects. In an era of downsizing, consolidation, shrinking budgets, increasing technological sophistication, and shorter development times, risk management can provide valuable insights to help key plan for risks, alert you of potential risk issues, analyse these issues, and develop, implement, and monitor plans to address the issues long before the issues surface and adversely affect project cost, performance, and schedule.

If you want to sharpen your project management skills with specialized expertise in risk management, this course is meant for you.

Why RMStudy?

RMstudy is a leading Education Provider imparting quality training to prepare professionals to manage risks associated with various projects. RMstudy online training has been developed and evaluated by several PMPs and experts in project risk management.

Online Course - Recommended Study Methodology

The procedure that should be ideally followed while studying for the online course is mentioned below:

1. Read a particular chapter.
2. Read the comprehensive study guides for the particular chapter.
3. Take the Chapter Test. This will help to improve the understanding of concepts for that chapter.
4. Take the evaluation test for that chapter. Access will be provided to the next chapter only on passing the evaluation test.

Please note: www.RMstudy.com is a Mastery series; so as soon as our students successfully completes the evaluation test for one chapter, they will automatically get access to the next chapter. Every chapter builds on the concepts learnt in the previous chapter.

What do I get?

- Online Study Material (Study Guides, Chapter tests, and Evaluation tests)
- 90 days duration
- DWDCoconnect Facilitator support in the form of guidance, online discussions and coaching sessions
- An e-Certificate upon successful completion of the exam
- On successful completion of this course, students will receive a DWD Connect attendance certificate.

Optional extra's:

Upon request, DWDCoconnect can arrange a paper certificate to be sent directly to the address provided at the exam registration.

What's the exam format?

- Multiple choice
- 170 questions
- 3.5 hours

Maintaining Certification

To maintain your PMI-RMP, you must earn 30 professional development units (PDUs) in risk management topics every three years
